Guide for Assessment of Continuing Education

As continuing education events vary across the categories listed below, the appropriateness of considering them as acceptable continuing education also varies. An event must receive a total score (combination of all three sections) of 10 to be "clearly acceptable" for continuing education to renew your social work credential. If a category receives a zero, the education offering is not acceptable for continuing education, regardless of the total score.

This document, as well as all the relevant course materials, and the certificate of completion should be maintained in the event you are audited.
